DTSC News Feed is a weekly email that pulls together short updates and internet links to keep you informed about the latest accomplishments and news highlights at the California Department of Toxic Substances Control (DTSC).

## July 23, 2015

- Governor Brown announced the appointment of Hansen Pang as Chief Investigator for the Office of Criminal Investigation.
- DTSC and South Coast AQMD will host the Exide Technologies Advisory Group meeting today from 6-8 p.m. in Los Angeles. The meeting will focus on the closure plan and the residential cleanup.
- DTSC helped launch the Bayview Hunters Point Environmental Justice Response Task Force, which includes a new website for reporting pollution concerns in the San Francisco area. The task force is part of the IVAN program that connects community members with people who can help solve local environmental problems.
